The Year . . . It Was A Beginning

This is the time and place it all began - the first day of school. It seemed a blur - so many new experiences and so many great moments to remember. This was a time of forming new friendships, making strides academically and improving as people. A lot has happened and somehow we all made it through the year, a little older and a lot wiser. Let's take another look at what kind of year it was . . . . .

It Was Our Destination

This is the time to look back upon the year and remember all of the special moments - Spirit Week, Homecoming, Prom, to name a few. So much was learned and so much was shared. For many of us the year will be remembered for its many good times and achievements. We set goals for ourselves and gained maturity as we accomplished success. In the years to come, we'll look back on this as a special time that meant so much and can never be recaptured.

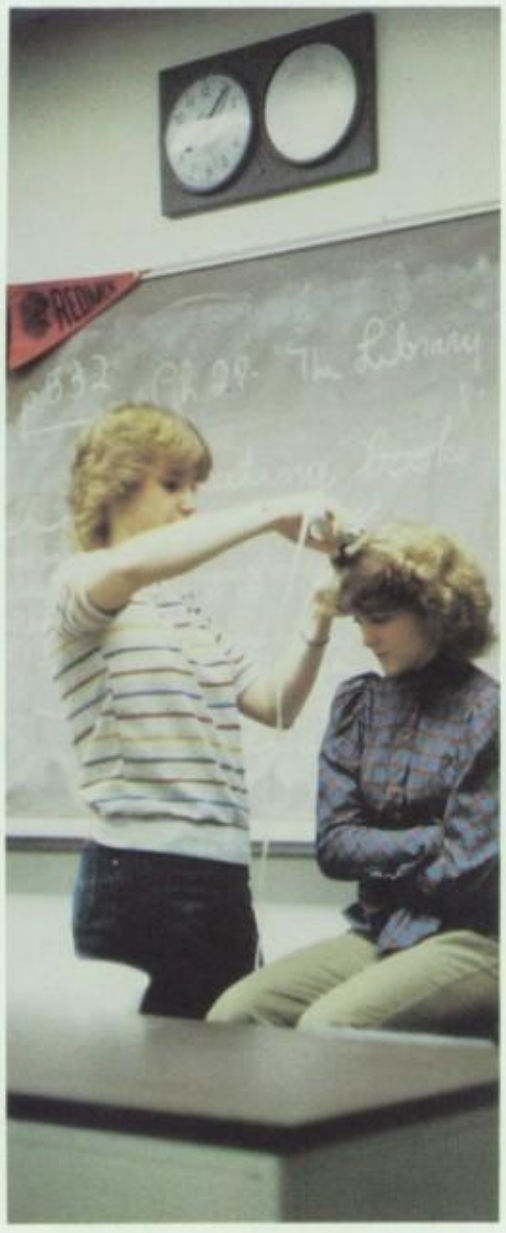
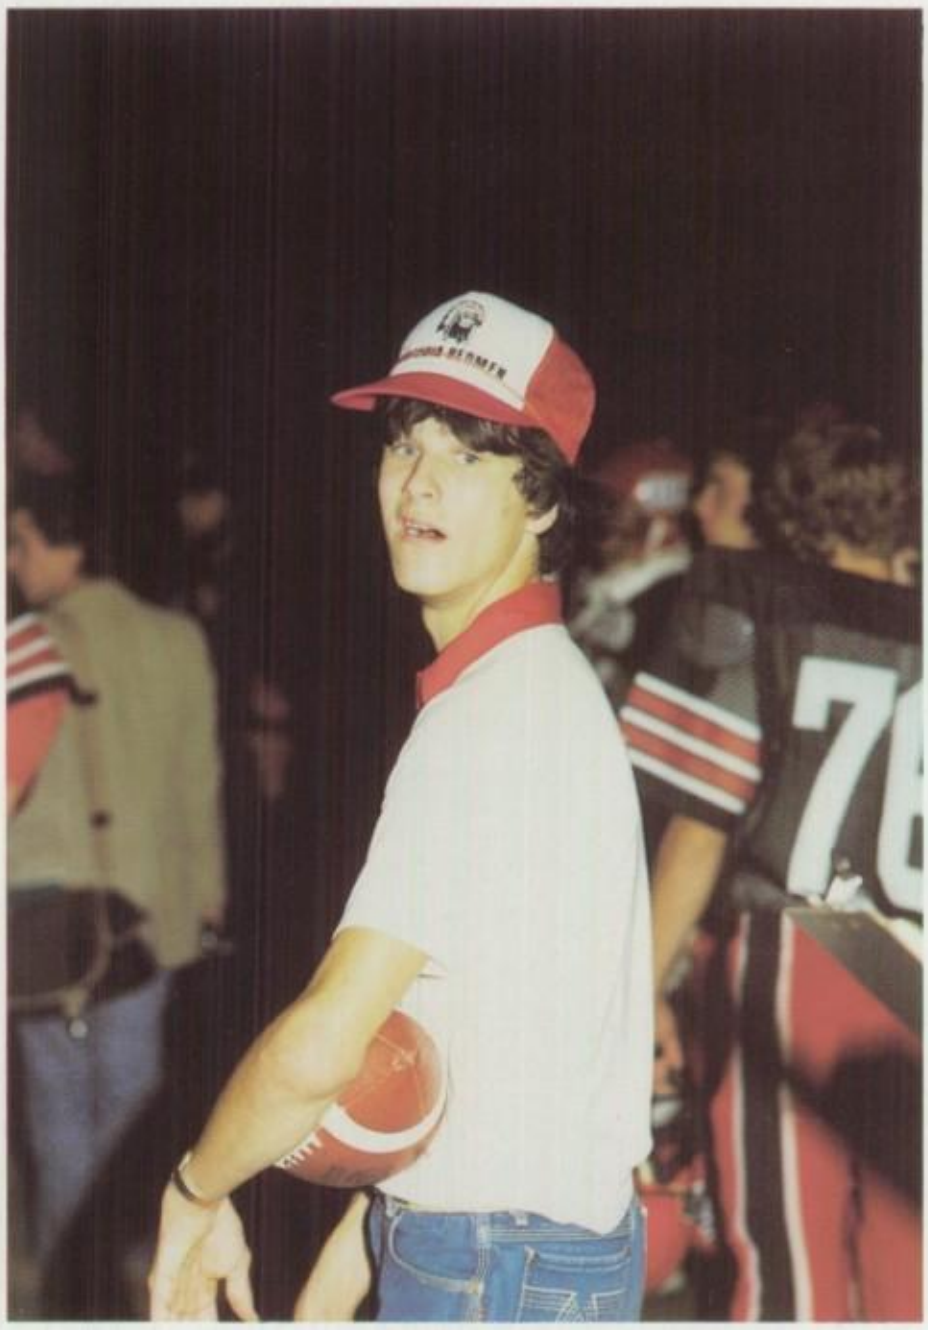
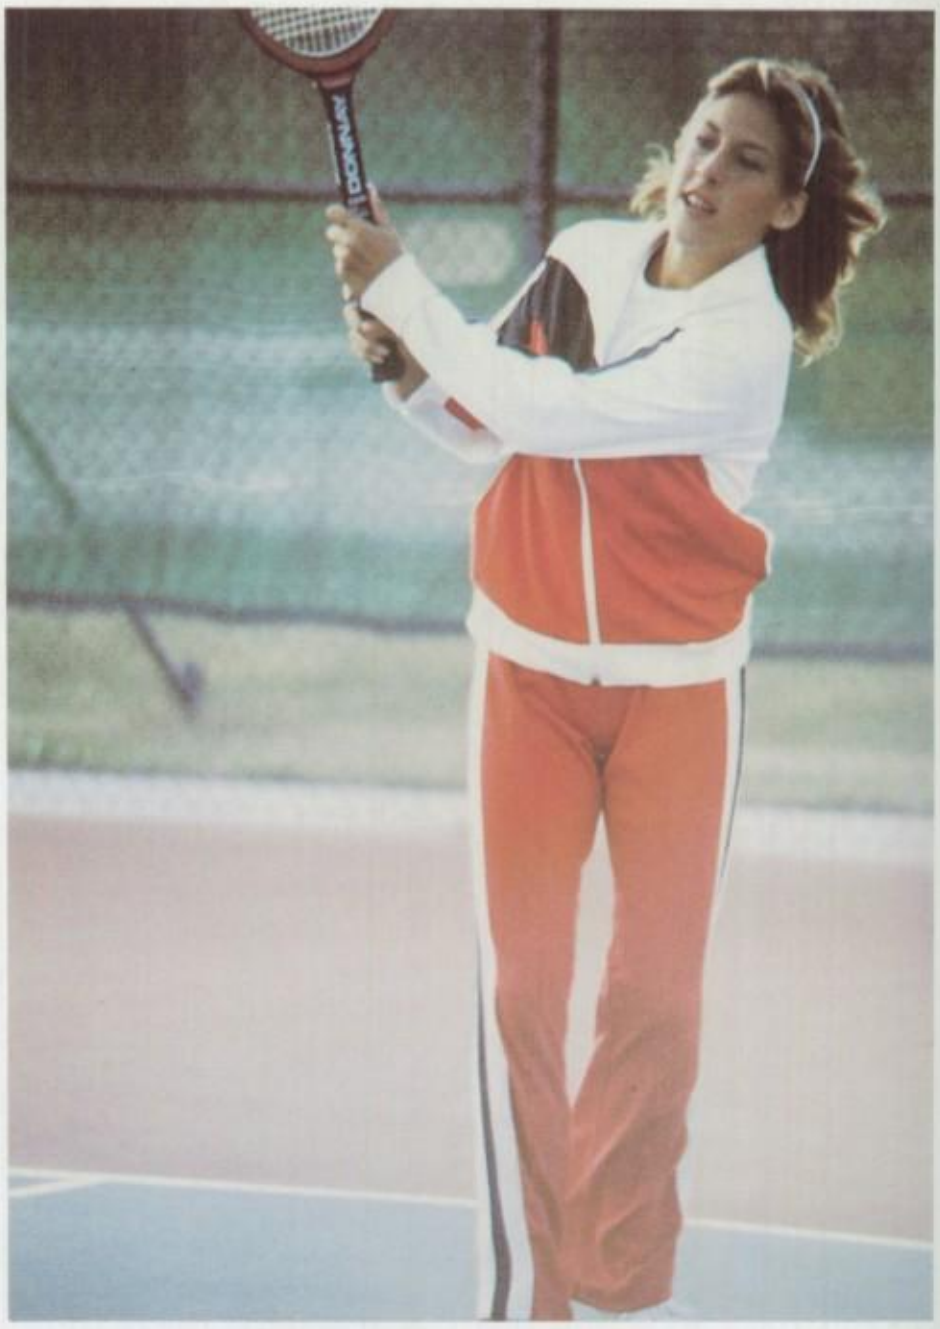
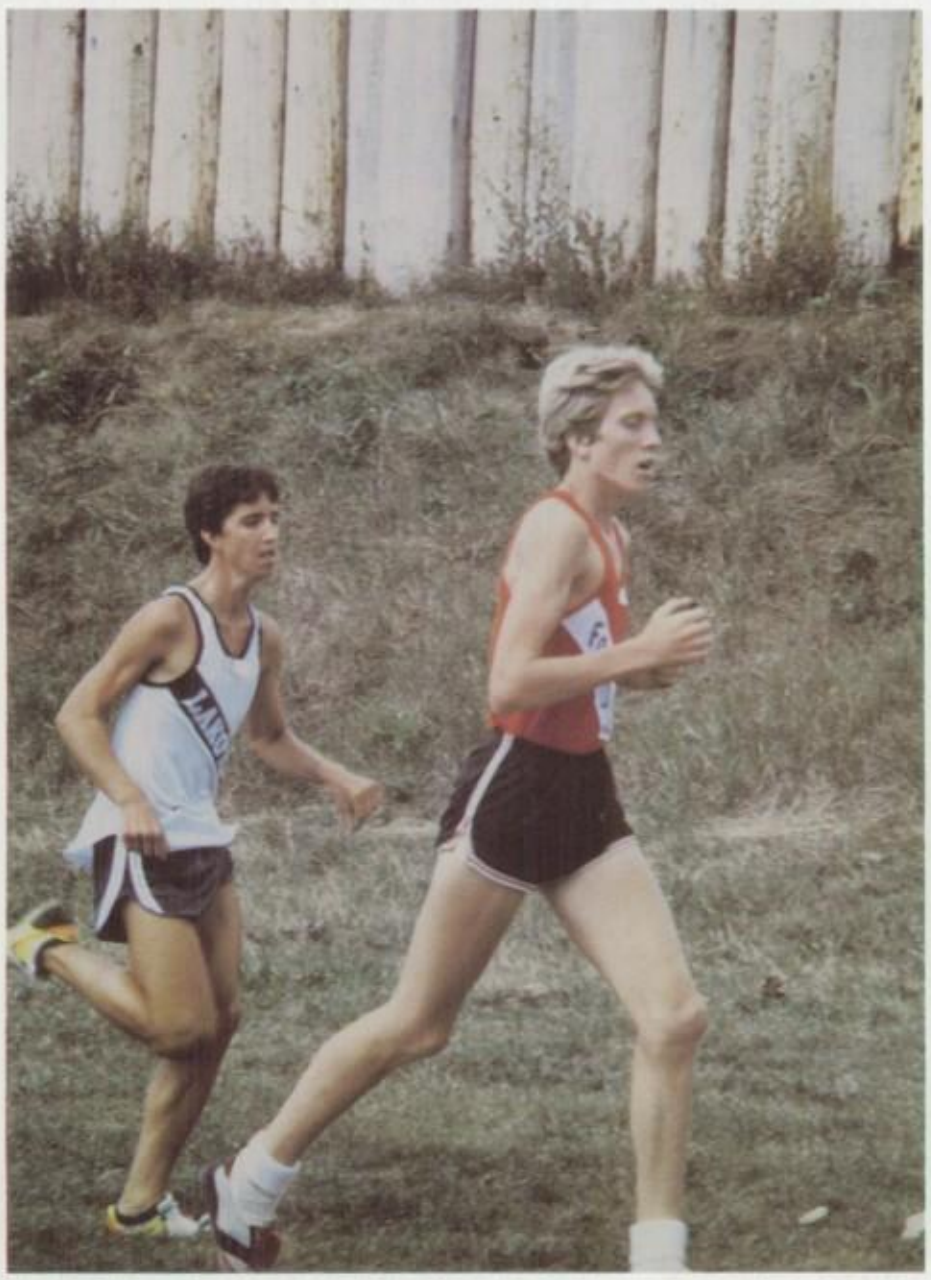
It Was Classes . . .

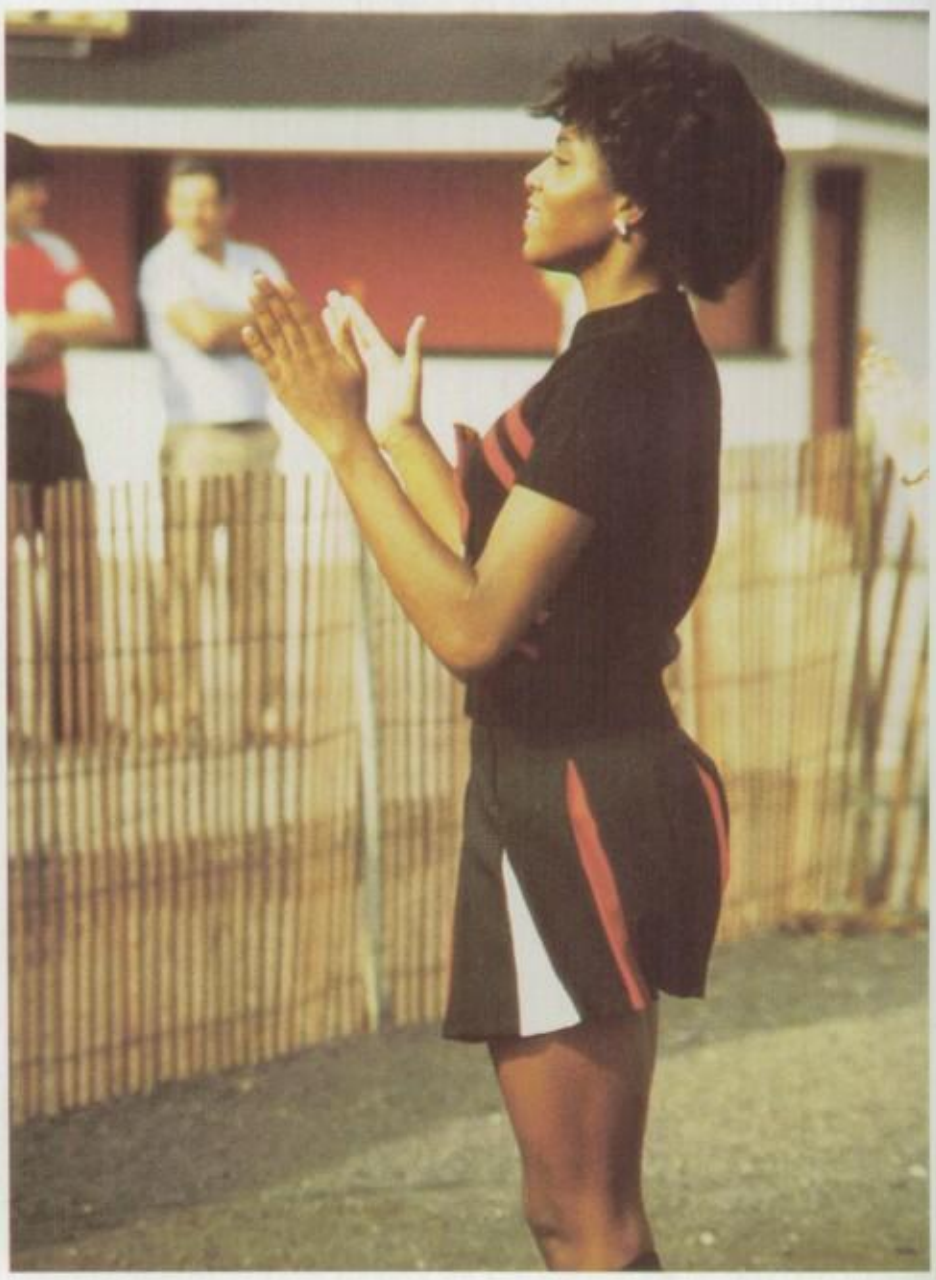
What would the year have been without academics? For after all, isn't that what we're here for? The hours we spent leafing through dictionaries, peering through microscopes, pounding on typewriters and puzzling through math classes proved worthwhile as we made the honor roll or scored well on the scholarship tests. We struggled through tests and crammed for exams to reach that one ultimate goal - our diploma. Yes, it was all worthwhile!











It Was Physical Expression

Of course, classes didn't consume all of our time during this year. We've always been noted for our strong tradition from fall to spring. We tackled, spiked, dribbled and pinned the biggest of them all and came out with an all-around great year. With endurance and determination we have achieved a sense of pride and accomplishment. And just like in the classroom we have taken some giant strides on the athletic field. We can look back on the joy and laughter heard in the stands as the fans watched our teams with pride. This year was, indeed, a year of accomplishment.

It Was Belonging

We came from many places and we are undoubtedly headed in different directions. We had so many new things to learn and so many new ideas to share. Sure, everything hasn't gone smoothly, but when this year is reflected upon we'll know it wouldn't have been the same without the others around us. For a short time in life we were all as one, all sharing a common bond of belonging to the same group, achieving together and sticking up for one another. Remembering the crowded locker rows, the jammed lunch periods and even the overloaded detention halls brought us closer together. Perhaps sometimes even closer than we needed. But, as we look back on these years we'll remember them as the best times of our lives.

It Was Making Friends . . .

For some, this year will have a very special meaning, for it will be remembered as more than just another year in school. Special moments spent with that certain someone are a major part in everyone's high school years. Just to be part of the gang or part of the crowd makes everyday seem meaningful. From football games to dances to pep rallies or just to eating lunch with your friends - these are the things that make every day a memorable one. Perhaps these special moments didn't last, but at least it was a great feeling to share a quiet moment with someone else, and to be welcomed into another person's life as well.

It Was Those Special Days

The year will be remembered for all the special happenings it contained. As the year started out everyone was excited for the big moments of Homecoming. That busy week spent before that special night. What a time to remember. Many will look towards the romantic dances as the most special times of the year. Others will decide on the many sports events held during the year as the most exciting times. No matter what days are chosen as the most enjoyable, we can all say we were there and a very important part of every event.

Redmen Achieve Co-Championship Honors In GLL

For sixth year **Head Coach Dick Kidwell** *another fine season was obtained as his Redmen capped off the season with a very respectable record of 7-3 and were the GLL Co-Champions along with Oregon Clay.*

With most of the players being juniors, the Redmen came along beautifully after a shaky start. On the opening game of the season the Bowling Green Bobcats were no match for the Redmen as the boys came home with a 25-16 victory.

Willard was next on the list for the team. Hard times fell upon the team as they were defeated, 18-16. An intercepted pass right at the end of the game sealed the win for Willard. A tough Tiffin Columbian team invaded the stadium as the Tornadoes came up with a hard fought win 10-0. Oregon Clay was the next opponent in a key GLL match-up. The Redmen won 6-0, with the lone score coming on a 45 yd. TD run.

The team kept the winning going as they beat Toledo Woodward, in the Homecoming game, 36-0. Next up was Columbus Bishop Hartley. It was a fine defensive game as the Redmen were winning 7-0 with Hartley scored on a flea-flicker with less than a minute to go. The two- point conversion failed giving the home crowd a close 7-6 win.

With the last three games being GLL matches all the Redmen had to do was win the rest and become the outright champions. Sylvania was the first as they went down 14-6. Napoleon proved to be a tough foe as their strong running game proved to be just too much. A last minute field goal attempt was wide giving the Wildcats their second straight victory in the past two years. Hapless Bedford was beaten 42-6 giving the Redmen a share of the GLL championship with Clay.

Reserve Gridders Cop GLL Title

The reserve football squad, coached by **Dave Danhoff** *and* **Randy Richardson**, *finished the season at 6-2 and were the outright GLL champs.*

In the first game the Redmen were beaten soundly by Fremont, 32-6. Their next game brought Willard. The reserves beat them 6-0 in a fine defensive game. Next up for the gridders was Tiffin Columbian. A strong Tiffin team was too much for the j.v.'s as they were beaten 24-0.

The loss to Tiffin would be the last one, as the reserves then won five games in a row outscoring their opponents for a total of 117-6.

Frosh Finish Season At 5-2

The freshman team opened the season with five league games in a row. The young Redmen played tough as they won the first four games while recording three shutouts and only allowing 10 points. The last league game was for the championship but the Redmen could not quite pull it out as they were defeated 12-0 by Tiffin East.

Bounding back, the freshman defeated Oregon Eisenhour 27-0, but then fell in a tough game to Mohawk 16-13. The Redmen finished the year at 5-2.

Enthusiastic Cheerleaders Stir Up Spirit

Unbelievably, the 1982 season for the football cheerleaders began early in June. The varsity cheerleaders practiced almost everyday in preparation for attending the United States Cheerleading Association Camp held in Findlay, Ohio.

Members of the squad were seniors, **Sharon Lewe, Linda Folkwein, Angie Deuble** *and* **Terri Todd;** *and juniors,* **Lori Folkwein** *and* **Suprena Baker.** *For these girls, their dedication and hard work paid off as they returned home with a second place plaque, which qualified the team for national competition, and two individual awards were won by Sharon Lewe and Lori Folkwein.*

The girls not only cheered during the football season, but they also had the task of decorating lockers, baking cookies and painting spirit signs. All the pep rallies are arranged by the girls and many of the cheers they performed were learned at camp.

The varsity cheerleaders are not the only ones who spend a lot of time involved in football activities. The reserve and freshman gals do similar tasks also to help out during the season.

Lady Netters Fall Short In GLL Bid

The 1982 girls varsity tennis team, led by **Coach Janet Dalrymple**, *fought hard this year but seemed to always end up on the short side as they ended the year 5-9.*

The gals just couldn't clinch the close games as they lost six matches by a score of 3-2. Defending league champ Sylvania Northview once again ruled the league, while the Redmen placed 5th.

No. 1 singles player, **Lorie Krupp**, *finished the year with a respectable record of 8-6. Lorie placed in the top three in the sectional meet and advanced to the districts, for the second year in a row, and made a good showing before bowing out in the second round.*

Bobbi Piper, *2nd singles, finished the season with a 5-9 mark.* **Holly Heiser**, *3rd singles, ended the year at 11-1 which is a new FHS record for the most wins in a season.*

The 1st doubles team of **Mary Monasmith** *and* **Julie Johnson** *recorded a 5-9 record. The 2nd doubles team was constantly being switched between* **Debbi Bartchlett**, **Jenny Eynon**, **Jodi Fleming** *and* **Alicia Burns**. *These four combined for a 5-13 mark at the end of the year.*

Graduating for the Redmen will be Krupp, Piper, and Heiser.

Lady Spikers Experience Disappointing Losing Season

The 1982 girls varsity volleyball team ran into trouble this year as they posted a dismal 0-19 record. With the loss of seven seniors to last year's graduation, **Coach Corrine Cahlik** *was left with the task of rebuilding the varsity team.*

Lori Runion, *though in her first year, did a fine job keeping up with the more experienced players. She ended up being one of the teams leading scorers. With* **Angie Moyer** *and* **Ann Gomez** *setting up the ball, sophomore* **Francine Kimble**, *was able to spike the ball many times during the season.*

The varsity team consisted of seniors, **Nancy Schmitz** *and* **Jill Birkmire**; *juniors, Moyer and Gomez; sophomores;* **Brenda Cousin**, **Jenny Ramsey**, *and* **Kimble** *while Runion was the lone representative from the freshman class.*

Receiving awards from the GLL were Schmitz and Kimble as they were placed on the Honorable Mention list.

With the loss of only two players from this year's squad the team gained considerable experience for next season.

Young Golfers Finish 5th In GLL

The young FHS golf team had a disappointing season as they finished the year with a 2-9 record.

The two wins the golfers picked were both by one stroke as they downed Genoa and Lakota. Leading the way for the Redmen was medalist **Rick Zimmerman** *with* **Bob Sheets** *right behind him.* **Jim Garner, Brad Stump,** *and* **Duncan Cameron** *rounded out the scoring for the youthful golfers.*

After winning back-to-back matches the Redmen lost a tough match to Lima Central Catholic as they were defeated by 9 strokes. **Sheets** *was medalist.*

Leading the team was junior co-captains **Sheets** *and* **Zimmerman** *as they recorded averages of 44 and 45 respectively.* **Garner** *played consistently good as he ended the year with an average of 49.* **Stump** *and* **Cameron** *rounded out the varsity team as they shot for averages of 52 and 59.*

For the first time in FHS history the girls officially has a cross country team. The gals did a fine job as they ended the season with a 5-4 mark. The boys were less fortunate as they were winless in 15 meets.

With all underclassmen running for both teams, **Coach Carl Fisher** *hopes to get the program going strong again. Despite not winning a match, the boys were very successful in gaining experience.*

Injuries plagued the girls at the beginning of the season, but the gals regrouped to place 1st in the Shawnee Relays, 2nd at the Lakota Invitational and just missed a district bid by placing 3rd at sectionals. **Beth Leonard** *made her second trip to districts as she put in a good showing but fell just short of a state bid.*

Varsity Team Shows Much Improvement

After losing their first seven games, the 1982-83 varsity basketball team turned things around and won nine out of their last fifteen games finishing the season with a 9-13 record.

With only one senior on the team most would think that a lack of experience and depth would be a problem. Just the opposite was true. Second year Head Coach **Steve Russell** *consistently used between 8-9 players effectively throughout the year.*

One of the highlights of the year was that for the first time in over ten years the boys beat Sylvania Northview both times during the season. Also the Redmen finished 3rd in the league and played for the sectional title.

Cheerleading Fun . . . But Work

The basketball cheerleaders deserve a tremendous amount of recognition for their efforts to raise spirit off the court.

Throughout the season, the cheerleaders worked hard preparing pep rallies, baking cookies, and raising money, besides practicing cheers.

Each week, the cheerleaders decorated their "secret" player's locker and often filled his locker with goodies. Scrapbooks were also kept for the players and presented to them at the end of the season.

The Fostoria Boosters Club donated money to buy the new varsity sweaters.

Despite Losses, Lady Redmen Gain Experience

The girls varsity basketball team had a frustrating year falling with a record of 2-19.

Leading the team with assists, rebounds, scoring and steals was sophomore, **Francine Kimble.**

Even though the team suffered many defeats, they still worked hard and gained experience. Coaching the varsity team was **James Bailey.**

The junior varsity team came across bigger and tougher teams this year. The reserve team consisted of all freshman with little previous experience. As the season progressed, they became stronger and more knowledgeable in the game. Coaching the reserve team was **Mrs. Dixie Kidwell.**

This year was a learning experience for both teams who played against stronger, more seasoned teams which taught the girls to become more competitive.

PERFORMING FOR THE COMMUNITY . . .

Choirs Present Numerous Concerts

Under the supervision of **William Schwepe**, *the high school choral department is divided into three units. In the spring of each year auditions are held. Those students who perform well are placed in concert choir or Chorale. Chorale is an even more select group of the best singers. From Chorale a special chamber choir is formed with those singers who must try out again. This group is chosen by their vocal ability and availability.*

The choirs did various performances this year including a fall, winter, Christmas and spring concert. The chamber choir sang for Rotary, Shepherd Center and other community organizations.

Office workers assist the administration by filing papers, making copies, running errands, typing forms, and delivering absence lists.

These workers function in a dignified business-like manner as they represent the office. They are expected to maintain an acceptable grade point average.

Being a teachers' aide can be both enjoyable and a difficult job. Aides assist teachers by grading papers, putting up bulletin boards, running errands and doing other odd jobs.

Because the job offers freedom, most teachers' aides are selected for their trustworthiness.

Yearbook, Newspaper Staffs Oversee News

For many years the **Brave Reflections** *and* **Fohirab** *staffs have been two separate organizations. But due to scheduling problems the skills from both were combined into one class known as Publications.*

Fohirab *yearbook was led by co-editors Sharon Lewe and Maria Simpson. Assisting them was junior Angela Ritchey. The staff was given a series of four deadlines to get the 192 page book finished.*

Brave Reflections *staff was responsible for producing six separate issues. Completing these papers was the task of editor Dennis Jackson and his assistant, Randy Laney. Advising both publications was Miss Karen Coker.*

SERVING THE COMMUNITY . . .
Tri-Hi-Y Donates Money, Time

Tri-Hi-Y was formed three years ago to fill the gap left by the no longer functioning Y-Teens. Sponsored by West Virginia-Ohio YMCA organization, Tri-Hi-Y strives to give service to the school and community.

At the annual candlelight induction ceremony 14 new members were formally inducted into the club.

For their first big project of the year, the girls donated $200 to the Fostoria Food Pantry. Members went "Krogering" to buy the food needed for the pantry.

Chosen to preside over Tri-Hi-Y was junior **Stella Pierce**. *Other officers selected were* **Helen Gonyer**, *vice-president;* **Kai Lee Hanley**, *secretary/treasurer;* **Carrie Criss**, *reporter;* **Mandy Bailey**, *chaplain; and* **Kristy Kroetz**, *program director.*

Students Enjoy French Experience

The French Club had a busy but enjoyable year. Highlighting the year was the Mardi Gras which was put on by the French and Spanish clubs. This event was held on Valentines Day.

Mrs. Carol Reffner *and* **Mrs. Sue Bartunek** *along with the French Club, took many exciting and interesting trips this year. They visited the Toledo Art Museum where they saw the El Greco exhibit. Also, in Toledo they ate at "The Magic Pan", French restaurant.*

During the spring, FHS French students participated in language contests at Heidelberg, Kent Stage, and Toledo University.

Along with the usual grammar lessons during class there are cooking demonstrations, slide shows, movies, and even history lessons.

Promoting language, fellowship, cultural enrichment and ethnic differences is this years Spanish Club.

Being involved in Spanish Club consists of taking trips to Spanish restaurants and to art museums.

To finance Mardi Gras, club members sold candy. Also club members share the responsibilities of manning the concession stand during basketball games and wrestling tournaments. Club dues help cover the cost of cultural enrichment.

The Spanish students sample various Mexican dishes such as enchiladas, tacos, and tostadas.

Adviser of the Spanish Club is **Mrs. Frances Zaruba.**

WORKING ON AUTOMOBILES . . .
Shop Students Train For Future

Auto Mechanics is a two-year vocational program designed for students on the junior and senior level. The purpose of the course is to provide the students with a thorough understanding of the construction and operation of automatic units. In addition, the students also learn the essential technology and underlying principles necessary to perform basic scientific diagnosis and repair. Because of this intensive training, a student is able to enter the job market immediately after graduation.

The course format for both levels is one and a half hours of study in the classroom and three hours of actual work in the shop downtown each day.

Teaching the course are Mr. John Dull, who instructs the classroom or related part of the class here at the high school and Mr. John Wilson, who trains the students at the shop.

LEARNING A TRADE . . .
Students Qualify To Become Machinists

SENIOR MACHINE SHOP: Front Row-*Joe Martinez, Rob Ludwig, Brad Smith,* Second Row-*Doug Day, Rick Scott, Mike Hopkinson, Alan McGirr.*

Machine shop is a vocational class given for all students interested in preparation for employment in the industrial community. It is a two-year course made up of actual shop practice as well as related classroom work.

In the class, students learn the basic fundamentals of reading a blueprint and accurately following the directions as put down on paper. The machine trades science is the study of each machine, its parts, how they are operated and the correct way to sharpen the cutting tools.

In the afternoon the students actually apply what they have learned to the machines in the shop area. The types of machines they use are grinders, lathes, shapers, and milling machines.

Instructing both the junior and senior levels is Mr. Franklin Fruth.

STARTING A NEW TRADITION . . .

Wrestling Spiriters Keep Enthusiasm High

To promote wrestling spirit, nine girls were chosen for the first time to help support the wrestlers. The new assistant wrestling coach, **Drew Kirian**, *was the head of the Spiriters.*

Decorating the wrestlers' lockers was just one way the Spiriters raised the grapplers' spirits. They also baked cookies for the wrestlers for their away meets.

During the meets, the Spiriters were responsible for keeping statistics and timing the periods. For the tournaments they took turns keeping the charts, working the clocks, and keeping statistics. They also sold wrestling spirit pins at the door of the matches.

Since this was the first year for having Spiriters, it was a new experiment for everyone involved.

AIDING TEACHERS . . .
AV Crew Distributes Equipment

The audio visual (AV) crew is composed of students who assist teachers with all types of AV equipment. Such equipment as movie and overhead projectors make teaching easier for the teachers and class more enjoyable for the students. The use of AV materials provides a variety from the daily routine of lectures, note taking and typical classroom work.

The equipment is distributed by the crew at the request of the classroom teacher and a chart in the AV room makes it convenient to keep track of.

Mr. Tom Hoffman *is the coordinator of the AV and crew.*

Three big wins capped off the Homecoming festivities. To start things off, the sophomore class won the spirit stick for their second year in a row. Later that evening the second big win was the selection of King and Queen Chuck Keels and Terri Todd. To end the evening in great spirits, our mighty Redmen team shutout the Toledo Woodward Polar Bears with a score of 36-0.

During the week prior to the big game, the school was busy with many spirit activities. Many students walked the halls in many different outfits, the days included "Fifties Day", "Too Big for a Redmen Victory Day", "Clash Day", and the traditional "Red and Black Day".

A stadium pep rally and bonfire was also held the night before the game. Each class was responsible for making a dummy to be thrown in the fire that night. Many students participated in the special events and relays.

"Let's Get Fired Up" was the theme chosen by Student Council for the 1982 Homecoming. The attendants rode in convertible cars lead by the cheerleaders who rode in an old-fashioned fire truck. As the air filled with excitement, it was finally time for that special moment as Chuck Keels and Terri Todd were announced as this year's King and Queen. To top it off, the Redmen came through with a win over Toledo Woodward.

Winter Festival

The 1983 Winter Festival was a very exciting and memorable week, especially for the 1983 Winter Festival King and Queen.

Starting the week were spirit activities including a Western Day, Preppy Day, Dress Up Day, and the tradition Red and Black Day. This year something new was added to the winter activities. Friday morning, on the day of the pep rally, each girl was given a ticket and was to resist speaking to any guys all day, unless she found him "irresistible". At the end of the day, the guy with the most tickets was crowned.

This year's King and Queen were chosen during pre-game. Senior adviser, Jim Bailey, crowned **Laura Thompson** *and* **Kent Dauterman.**

Mardi Gras

Valentine's Day Chosen For Theme

The major event of the French and Spanish students' year was the Mardi Gras. The Mardi Gras, Fat Tuesday, was held on Valentine's Day.

The evening began with dinner music provided by the stage band under the direction of David Zoll. Next, the opening remarks and welcome were presented by the master of ceremonies. Representing the French classes were Brenda Blose and Bill Burris while Cindy Boucher and Abel Garcia held the honors for the Spanish classes.

The Royalty for the French classes were Bobbi Piper and Jim Fugett, for the Spanish classes were Monise Fernandez and Ron Reinhard

Sue,
We've finally made it through Algebra! Remember all the times we struggled through his (Mathew) endless tests! Always do remember "Garderas!" Ha! Ha!

Your friend always,

Sue,
a real sweet pal
nice + sweet (who is going
places + accomplish things)
friend compliment. I'm glad I met +
a really cool person. Quite a
person you are. Keep your head up
positive and smile. Remember the
good times + the friends.
Keep in touch.
Love ya,

As a superfriend
who's got a lot going
for her. Just one thing
I ask respectively quys to
go out with because
your pretty and nice
and you deserve a nice
guy. May your future
hold everything you
want in life.
